## 

Directions: Make a budget. Pretend you earned $\$ 100$. On the back of this page, draw a circle graph divided into four parts to show how much you would budget for each of the following:

1. SPENDING: Money for things I need
2. SPENDING: Money for things I want
3. SAVING: Money I want to save
4. SHARING: Money I want to give to help others*
